

# BOOK TRIVIA IS BACK!

Get ready, families—the most exciting reading event of the year is officially back! We are thrilled to announce that **Book Trivia** is returning with a brand-new, spine-tingling theme: “**Twisted Tales!**”

This high-energy competition is open to all **K-2 and 4th-grade students**, and it’s going to be an afternoon to remember. Mark your calendars for **May 20th**, when our readers will team up to showcase their knowledge, tackle tricky questions, and celebrate their love of books!

## How the Challenge Works:

- Teams will head to their assigned classrooms to take on trivia questions based on our “Twisted Tales” official reading list.
- Teams will have a limited time to brainstorm and discuss each question before racing their answer to a judge in the hallway. Some “bonus” questions will even be worth extra points for those who know their details!
- No books or notes allowed! It’s all about what’s in their heads. The best part? The correct answer is revealed after every single question for instant excitement!
- We’ll cap off the afternoon by crowning the winning team!

## How to Get Ready for Trivia:

The quest for knowledge starts on **April 20th!** Here’s how your student can prepare:

- Starting April 20th, students can check out books from Mrs. Goodman’s Room, or they can also find copies at the **Muscoda Public Library!**
- Many of the stories are just a click away! Students can log into their **Clever account** to read or listen to the books online.
- Encourage your child to read with friends and family. The secret to winning? Paying close attention to the tiny details in the stories and the clues hidden in the illustrations!

We can’t wait to see our students shine and celebrate the magic of reading. Let the “Twisted Tales” begin!
