Dear Friends and Family,

Exciting news from Muscoda! Our town is in the process of building a brand new Library! This Library will have books, magazines, movies, computers and internet access for all. We are asking for your help to make sure that it has plenty of room to meet our town’s growing needs.

The students of Riverdale are having a fundraising competition to see which student can get the donation from the farthest distance! We will also be competing to see which grade can receive the most donations. Please help us out. Send your donation our way - we will record the distance on a map in the commons of our school. On October 16, we will calculate which student received the donation from the farthest location and that student will then present all the donations to the Muscoda Library Committee.

No donation is too small, no distance is too short!

Thank you for your support! Feel free to pass this message along!
The families of Riverdale will all benefit from your generosity!

Please make all checks payable to Muscoda Public Library Expansion.
Please send all donations with the form provided back to:

Riverdale Elementary School  
Attn: Library Fundraiser  
800 N 6th St  
Muscoda, WI 53573

Sincerely,
The staff and students of Riverdale School
