

Riverdale School District STRATEGIC PLAN

2025 - 2030

OUR MISSION

Connect. Empower. Grow.

OUR VISION

Leading the way in opportunities for college, career, and life ready community members.

Our Pillars & Five-Year Strategic Objectives

Riverdale School District | 2025 - 2030

OUR MISSION

Connect. Empower. Grow.

OUR VISION

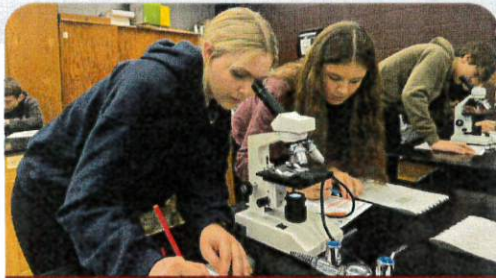

Leading the way in opportunities for college, career, and life ready community members.

DISTRICT PILLARS

The following district pillars organize our ongoing, continuous improvement work at both the district and school levels over the long-term. Listed under each pillar are the 5-year strategic objectives for the district.

We will articulate key action steps on an annual basis within this five-year cycle to:

- Live our commitments and accomplish the 5-year strategic objectives
- Advance our mission and vision for student learning and organizational excellence

Educational Excellence

Connect district-wide SEL (social emotional learning) practices with a rigorous academic curriculum that supports student growth and achievement to produce college, career, and life ready community members.

Family and Community Partnerships

Build and maintain positive, trusting relationships with families to increase a sense of belonging and promote family engagement.

Develop and utilize meaningful relationships between school and community to provide growth opportunities and foster community service.

High Quality Staff

Attract, develop, and retain excellent staff through a culture of high expectations and ongoing professional growth for student impact.

Foster a welcoming climate and positive culture for engagement, collaboration, and community.

Financial and Facility Management

Align resources in a sustainable, responsible, and flexible manner to meet the evolving needs of the district and community.

WHO WE ARE

The Riverdale School District is committed to fostering a culture of academic excellence, equity, and continuous improvement. This strategic plan serves as a roadmap to guide our efforts over the coming years, focusing on four core priorities: educational excellence, family and community partnerships, high-quality staff, and financial and facility management. We will ensure every learner is college, career and life ready through collaborative leadership, data-driven decision-making, and a steadfast commitment to student success. We invite all stakeholders to join us in this journey to connect, empower and grow every student in our district.

We pride ourselves on establishing and maintaining strong relationships between our students, staff, families, school board, and community to support our goals and objectives. Please feel free to reach out if you are interested in touring our facilities or have any questions, comments, celebrations, or concerns.

Thank you,
JEFF CAMPBELL
District Administrator

RIVERDALE SCHOOL DISTRICT COMMITMENTS

Relationships

We build positive, trusting relationships among students, staff, families, and the community.

Wellness

We create and support an environment that prioritizes physical, mental, and emotional wellbeing and safety.

Communication

We engage with all stakeholders in clear communication to connect, collaborate, inform, and celebrate.

Accountability

We commit to holding ourselves and all stakeholders to a high standard of respect, responsibility, and compassion.

Equity

We build an environment where all feel seen, supported, and empowered to reach their full potential.

Celebration

We acknowledge the positive and possible in our students, staff, community, and one another.

Growth

We support each other in taking risks to grow professionally and positively, with the belief that all students can learn at high levels.
