

Chieftains Blank Cubans 1-0

The varsity baseball team picked up a huge win over the Cuba City Cubans on Tuesday night by the score of 1-0. The Cubans who were picked to win the conference were held in check by the tremendous pitching performance of junior righty, Trevor Troxel. Trevor would give up just two hits while striking out 14 to pick up the complete game win. Coach Thompson "Great job by Trevor T. and great job by our team. This is a tough place to play and we made the plays when needed and Trevor came up with the big pitch every time we needed it. Tyrrel Anderson also did a great job behind the plate. This was a very big win early in the year."

This game was a true pitchers duel as both teams would be held to two hits, so this article will be a bit short.

In the first we did threaten when Brett Hach picked up a one out hit but we would not score. Trevor would breeze thru the first as he struck out the side.

In the second we would go quietly. CC would get a leadoff single in the second but nice defensive plays by the Roen brothers would shut down any threat.

Neither team would threaten in the third and fourth as Trevor struck out the side in both innings. In the fifth we would scratch home the only run of the game. With one out Tanner would walk and steal second. Max Hougan would then have a great at bat and eventually draw a walk. Bradon would also walk and after Jared drew yet another walk we had a 1-0 lead. Coach Thompson "Some real good at bats that got us a big run." CC would get a runner to second with one out in the bottom of the fifth but a strike out and a ground out to Brett at short, ended the threat.

CC would also put a runner on second with one out in the sixth, but a pair of strike outs ended the threat. In the seventh it would be a quiet inning. The first Cuban hitter would ground out to Jared at third. The second hitter would fly out to Tanner in right and in fitting fashion Trevor would strike out the last hitter to nail down the win. Coach Thompson "Big conference win and big bounce back game. Trevor did a tremendous job! Lots of big games ahead, we just need to take care of each game one pitch at a time and we will be right there at the end of the year."
