

Chieftains Complete Scrimmage Look Forward to Home Game against Royall

The Riverdale Football team did some real nice things this past Friday Night as we took part in a scrimmage at Ithaca. In round one for the Chieftains we took on Wauzeka-Seneca and did a very nice job on both sides of the ball. Offensively we moved the ball consistently and defensively we held Wauzeka-Seneca pretty much in check.

In round two we took on a tough Highland unit and had a little tougher go of it. Offensively we had a tougher time but still moved the ball. Defensively we played pretty well except for the fact we had a tough time stopping Highland's QB on the option.

Coach Thompson "We were very encouraged with the way the scrimmage went. I thought our guys went to the right place most of the time and I thought we played with energy and enthusiasm. If we continue to improve each practice and continue to come together as a group we can become a very good football team!"

This Friday, the Chieftains will open the regular season at home as we take on the Royall Panthers. The Panthers have a new coach this year so it will be interesting to see what changes they may have made from past years. It should be a very entertaining game and one of only four home football games this year. We hope that you are able to come out and support this year's team again. I think you will find them to be a very entertaining group. Game Time 7:00.
