Riverdale School District

Dear Parent /Guardian

The Riverdale School District is pleased to announce the implementation of Family Access by Skyward, Inc. Family Access is a secure internet-based website that will allow you to easily keep track of nearly everything your student does while at school. Among other things, this service will allow you to view your student's attendance, grades, schedule, assignments and emergency information. It will even allow you to help select your student's courses. Family Access is provided by Riverdale School District as a free service and will be available to all parents with children enrolled in the district from Kindergarten through twelfth grade.

In order for you to begin using Family Access, you will need to register for a login and password. By signing and returning the attached form, you are authorizing the Riverdale School District to provide you with your unique login and password. You can also sign up for your login and password by sending an e-mail to one of the school secretaries with your full name and phone number.

We are very excited about how Family Access will help you stay informed about your student's progress and hope that we can use this tool to create a stronger relationship between parents and our school community.

If you have any questions or concerns, please contact one of the school secretaries at 739-3101 (Elementary School) or 739-3116 (Junior High/High School).

Sincerely

Bryce Bird
District Administrator
